INDOOR or OUTDOOR ?

FROM THE TOWN BRASS

Swimming Pool Council had a thorough discussion regarding a swimming pool for St. Albert. Councillor Wheatling suggested that we should build what we can afford, meaning an outdoor similar to that at Tomahawk, which wouldn't cost more than \$20,000. Councillor Stewart said that an all year round swimming pool would assure all year round swimming instruction. Councillor Fowler suggested that a pool be built in two stages: first, build an outdoor pool which could be converted to an indoor pool within 5 years. The first stage would cost approximately \$80,000. Council felt there was some indication that the Local Authorities Board would possibly not approve a \$200,000. money bylaw which is the least needed to build an indoor swimming pool. Mayor Veness felt very strongly that the people of our town should decide what they want. "We, as Council", he said, "should not influence the people at all regarding the kind of pool. Let the ratepayer cast their votes, they have to pay for it." He also suggested that we should forget the \$22,000. Recreation Grant, because as he said, "Let's make the swimming pool a project on its own."

Councillor Powell suggested that definite plans for a swimming pool be made. "Let an architect draw up the plans so that we can see what we will get and what it will cost. Then after we receive this information we should take it to the ratepayers in a plebiscite." Councillor Stewart remarked that "the ratepayers expressed clearly during the Annual Meeting that they want to spend at least \$220,000. for an all year round indoor swimming pool. Therefore we are obliged to bring it to the ratepayers in a plebiscite."

\$22,000. Recreational Grant Councillor DeBrujn's opinion regarding the use of the \$22,000. grant was not changed. He strongly advised against using this money for tot lots. If tot lots are necessary, the money involved is not too much, and could be raised by the districts themselves. He continued that there is very poor use of the tot lots, and that experience has shown that teenagers are wrecking the equipment on tot lots. Mayor Veness said that Council still had a resolution to use this money for tot lots. As the ratepayers so clearly expressed, they do not want to use this money for tot lots, Council is of the opinion that this money might be better used for play grounds. Councillor D. Fowler moved to rescind the motion to spend the \$22,000 for tot lots. All Councillors were in favour. The matter will be brought up again at the next Council meeting.

Indoor/Outdoor Swimming Pool Councillor Stewart moved that the Secretary-Treasurer produce figures for the cost of building various types of swimming pools so that Council can decide at their next meeting what can be done. This motion was unanimously passed.

STURGEON COUNTY HOSPITAL

As our readers know, some time ago, the Sturgeon County Hospital Committee was formed with representatives from Sturgeon County, Legal, Morinville and St. Albert. Their aim is to have a hospital in Sturgeon County as soon as possible.

This committee has had several meetings. They decided that the first thing to do was to get the co-operation of all organizations and officials in Sturgeon County so that later on, a strong deputation can be formed to meet the Minister of Public Health. The Committee was wise not to argue about the location of the hospital until they are sure that a hospital will be a reality for Sturgeon County.

The Committee, under the chairmanship of Willy Flynn, has now invited representatives from all organizations in Sturgeon County, including Morinville, Legal and St. Albert, to a meeting which will take place tonight at 8 p.m. in the Legion Hut in Morinville. The purpose of this meeting is to decide what action to take for the forming of a hospital in Sturgeon County. The Committee has not yet decided what type of administration (municipal or private) to have for this hospital. The main thing for this committee is to get a hospital as soon as possible, and in this they are strongly supported by the St. Albert & District Chamber of Commerce, Sturgeon Health Unit and by our local MLA Mr. Keith Everitt.

The following letter from the St. Albert & District Chamber of Commerce to the Sturgeon County Hospital Committee expresses very clearly the need for such a hospital.

Dear Sir,

Our Chamber has been aware for some time of the hospital problem faced by residents of St. Albert and residents of the other urban and rural areas of the County of Sturgeon. A committee of the Chamber of Commerce has considered the matter and has recommended that the Chamber strongly support the formation of a hospital district and the construction of a hospital to serve the residents of this area.

The total population in the area of approximately twenty-five to thirty thousand persons makes the proposed hospital a real necessity, particularly in view of the fact that doctors in the district are now limited to emergency admissions in the City of Edmonton hospital. This means that a person cannot be admitted to hospital until he becomes an emergency case and he, therefore, has to wait until his illness or disease gets worse before he can receive proper medical attention. It is our view that this situation is now critical and intolerable. We are of the view therefore, that the Provincial Government should be strongly urged to immediately implement plans for the formation of a hospital district so that construction of a hospital can start without further delay.

Yours very truly,
St. Albert Chamber of Commerce

ANNUAL MEETING

ST. ALBERT SCHOOL DISTRICT NO. 3

From the report of the chairman, Mr. George Lee:

The past year has been one in which the board encountered many trying matters. We told you at the last annual meeting that a school in Grandin Park would soon be a reality. As most of you are well aware this project was the subject of many controversies from the local level through to very high governmental groups. The school project is now under the direction of our architect, Mr. Oleksy, and we hope that we will be able to call for tenders on this item early next month. We were very fortunate in receiving Ministerial approval to the appointment of our Superintendent, and as from September 1, 1963, Mr. Maloney has been promoted to this office. As such he is the chief executive officer of your district and responsible directly to the board for the administration of our school system. Reconversion of facilities brought about the need for an administration building. This matter had been under study for several months before the need arose. While the accommodation offered by Town Council was greatly appreciated it was at best merely temporary and on a rental basis. We now have a building containing nearly 2000 square feet of floor space on the administration floor level with similar area in the lower portion for storage and maintenance service. We hope that with such facilities at our disposal we may be able to maintain our plant and equipment at a higher level of efficiency with less cost to the district.

We have been requested by Council to place a representative of our board on the Recreation Board and in this manner are able to further assist the community in communal affairs.

The two school boards hold joint committee meetings and we find that many mutual problems are now being negotiated in a more speedy and business-like manner. Through these channels we can keep abreast with the affairs and problems of the Town as a whole and be in a position to lend better assistance. This is also true with our Trustee Association.

During the past year our Secretary, Treasurer Mr. Chris McInnells, was appointed secretary, treasurer of Zone No. 2 of the Alberta School Trustees Association and through his association with the parent body we are able to receive information of current interest in this field.

Kinsmen to Charter

At a dinner meeting held at the Club Mocoabo, Monday February 24th, a motion was passed to make application to the Association of Kinsmen Clubs for the granting of a Charter to The Kinsmen Club of St. Albert.

The meeting was attended by twenty-one young businessmen residing in St. Albert, and was called to order by Mr. Doug Foster, Chairman of the Expansion Committee of the Kinsmen Club of Edmonton who are sponsoring St. Albert's entry into the Association.

Greetings from The Kinsmen Club of Edmonton were extended by President Bryson Stone who spoke briefly to the gathering.

The meeting was then turned over to Mr. Art Jones, Deputy Governor of District 4, who gave an excellent outline of the Story of Kinsmanship and pointed out that Kin is not an association with a super-imposed program. Each club bases its activities on the needs of its own community, with the guidance and inspiration of

TEACHER EDUCATION PROGRAM

The Faculty of Education of the University of Alberta is aware that in a diversified world such as ours many men and women are changing (or wish to change) their occupation in mid-life. In order to facilitate this movement, the Faculty has designed a special two-year teacher education program for mature men and women between the ages of thirty and fifty.

Registration Procedure: Those men and women who wish to apply for admission to the program must do so on or before April 1, 1964. They must arrange for a personal interview with Prof. W. Pilkington, Assistant to the Dean, Faculty of Education, U. of A., before the final date of registration for new students, April 30, 1964.

EDMONTON ART GALLERY MEMBERSHIP DRIVE
The Edmonton Art Gallery has 400 members which is by far the lowest percentage in all of Canada.

A drive is underway to at least double the membership. Only with an increase in membership can the maintenance costs of the proposed new gallery be met. The new gallery construction costs will be paid for by the bequest of \$560,000. from (Miss) Edith Condell, a bequest unique in Canada and of which Edmonton and surroundings have to prove to be worthy of by increasing membership and interest. Some of the bequest can be used for maintenance costs.

COMMUNITY CALENDAR

March 20: Women's Institute Fashion Show.

(See picture Mrs. Austin on "Thinking Day Tea")

Our tribute this week goes to two active ladies in our community - Mrs. Maybelle Austin and Mrs. Marie LeBlanc.

Mrs. Austin lived in Marville, France, from 1958 to 1962 and was vice-chairman of the Brownie and Guide Association there. She did a splendid job there and it is evident that she is doing an equally good job here in St. Albert as vice-chairman of our local association. Her work for the "Thinking Day Tea" of last Saturday is an indication of her complete, unselfish devotion to see a project completed. Mrs. Austin has been living in St. Albert since August 1962 and has five children ranging in age from 13 to 2 years.

★

Mrs. LeBlanc has lived in St. Albert for 4 years. She has five children, 2 in school and 3 pre-school. Marie has managed to find the time to be Social Convener for the local Brownie & Guide Association. Whenever help is required at any function, Marie is quietly pitching

CLUB NOTES

The March General Meeting of the U.C.W. will be held Monday, March 9 in the Church. The business meeting, to begin at 8 p.m. sharp will be followed by a devotional. Mrs. Bruce Filuk, well-known for her work in Christian Education, and M. & M. Secretary for the Church, will be the speaker. Four ladies who attended the Annual U.C.W. Presbyterian recently in Edmonton, will bring us highlights of this meeting in a panel. Following this will be our eagerly-awaited "Dutch Auction". Ladies are invited to bring three to five used household articles (with bags for packaging). Clothing items should be sized and in good condition, other suggestions - white elephant items, jewellery, or even baking. Come and join in the fun and excitement of this, our first "Dutch Auction".

Eighteen members of the Women's Institute met at the home of Mrs. Vaugeois, 17 Madonna Drive. Mrs. Dalman was in the chair. After the business meeting it was agreed to continue for another year the adoption of the little French orphan.

Mrs. Adams reported on the Fashion Show which will be held Friday, March 20 in the High School, tickets available from U.I. members at 50¢ adults, children 35¢. Fashions will be from Slatsons Sears Ltd.

MUNICIPAL INSPECTOR'S REPORT

At a meeting of the council held March 11, 1963 a resolution was passed (Motion No. 1467) to set an allowance of ten dollars to members of the council who were appointed by resolution, to attend committee meetings affecting the Town, and said resolution was to be referred for legal opinion. While the results of the referral were not available, it is the opinion of the undersigned that such a resolution is contrary to the provisions of section 60 (5) of the Town and Village Act in that payment may only be made for actual out of pocket expenses accrued or mileage paid for actual miles travelled at a rate per mile set by Council. In addition, a claim for reimbursement should be submitted as a duly completed account requiring the approval of the council prior to a cheque being issued.

(Council's Reply) Although Council did, by Resolution, set an allowance for members of Council attending Committee meetings, the Resolution was referred to the Town's solicitors for an opinion. No payments have been made as a result of the Resolution and Council is awaiting legal opinion in order to take proper remedial action.

Further to the matter of payment to members of the council, it was noted that by-law No. 4-63 was passed providing for payment to the council for attending meetings at the rate of ten dollars per meeting, and said by-law was duly approved by vote of the ratepayers. However, it was noted that payment is being made for meetings attended on a per diem basis, contrary to the provisions of by-law No. 4-63 and the provisions of section 60 of the Town and Village Act. It is recommended that the council take immediate action to fully comply with the provision of section 60 and by-law No. 4-63.

(Council's Reply) Section 60 of the Town and Village Act and the Town's by-law No. 4/63 clearly establish the maximum annual remuneration to which a member of the Council is entitled. However, the Town's records show that the practice under the administration of the "New Town" was to make remuneration on a per diem basis and this continued under the succeeding administration. Steps have been taken to see that the practice is discontinued.

The minutes of a meeting held April 16, 1963 noted that the council passed a resolution authorizing the Town Engineer to rent a Town machine (sweeper) at a contract rate of twelve dollars per hour (See Motion 1595). It must be pointed out that the council do not have authority under the Town and Village Act to allow Town-owned equipment to be rented to private companies or individuals. In addition the Town's status relative to the provisions of the Mobile Equipment Licensing Act could be affected if equipment is rented for private purposes as section 4 (b) of this Act exempts Town equipment from licensing only if used solely within the Town for municipal purposes.

(Council's Reply) The questionable use of Town owned equipment on privately owned property has been taken under advisement by Council with a view to taking any corrective action necessary.

As a result of the serious decline in the financial position at December 31, 1962 the council requested and received the supervision of the Town's financial program by the Local Authorities Board, effective November 12, 1963. The necessary arrangements have now been made to retire the outstanding liabilities of the Town through debenture borrowings.

Insofar as the records are concerned, these continue to be maintained in a satisfactory manner.

D. F. Edgar,
Senior Municipal Inspector.

(Council's) The Town would like to thank the Municipal Inspection Branch for the constructive criticism offered and the helpful advice given to the Town's staff from time to time.

W. J. Viness,
Mayor.

NO LONGER NECESSARY

Why go out of town to buy, sell or trade your car? This is no longer necessary. Stay in your own town and see your local new and used car dealer. Compare prices in the newspaper with anywhere else. You will deal with pleasure and confidence at Spartan Car Sales, St. Anne Street, St. Albert, owned by Jack Monarey, a citizen of your town who is eager to do business with you. Phone 599-7681 or 599-7303.
